Community of Peace

An Invitation

Join us for ten days and nights of music and peace. Be part of a new community filled with song, chant, drumming, dance, dialogue, listening, yoga and silence. Community of Peace is a new contemplative community similar to the Taizé Community in France. ♦ rooted in a practice of beautiful sung prayer. ♦ nurturing friendship with the most Vulnerable in society. ♦ learning to listen more deeply. ♦ creating bridges of respect. ♦ engaging peacefully in social justice action.

Who invites you?

Br. Stefan Andre Waligur (Macushla),
a friend of the Taizé Community in France
and an oblate member of the Benedictine
Community, Shantivanam, in India.
